

3 seconds Instant
Warm Water Dispenser

WATERBAR

Parent's Best
Baby Milk Helper

DIAMOND

WaterBar helps Mum
make baby's milk
fast & easy.

No longer needs to
wake up in the
wee hours mixing
cold & hot water for
formula milk making

No longer
the needs for
your wrist as
temperature tester

WaterBar
has 50°C
Instant
Warm Water
Function

WaterBar
dispenses the
**perfect temperature
50°C instant
warm water
for milk making**

50°C warm water
will not destroy
the milk nutrients
and is safe for
baby consumption

WaterBar with just a press of a button provides easy access to fresh warm water

Mum can now
cuddle baby
with a hand
**and make milk
with another.**

WaterBar
design is
slim & elegant
**Suitable even for
bedroom making
formula milk
with ease
anytime**
